Joint Training Coordination Program (JTCP)

Mission: Bringing joint context to major Service training events.

Core Function: Service and SOCOM training planners come together in the JTCP to coordinate, discuss, and resolve inter-Service requests. The JNTC provides the joint participation by resourcing the intra-theatre movement of personnel and equipment for planning and execution of the joint training events.

Relevance:

- FY08: 11 events supported at a cost of $3.49M
- FY09: 24 events across supported at a cost of $4.45M
- FY10: 38 planned events across at a cost of $9.93M
- FY11: JTCP stakeholders recently approved FY11 agreements plan totaling $8.6M

Value to the Warfighter:

- Fleet Synthetic Training 09-4 included SOCOM Special Operations Forces Response Cell, USAF virtual AWACS, USMC Fire Support Team Cell, and USA virtual PATRIOT Battery.
- Marine Aviation Weapons and Tactics Squadron Weapons Tactics Instructor Course 1-10 included SOCOM virtual AC-130, USAF JSTARS, USN F-18s, and USA PATRIOT.

JTCP POC: CDR Kevin Borden, 757-203-5366

ACGU Discussion

- JTCP focus remains on facilitating cross-service participation in Service/SOCOM JNTC-accredited training programs.

- JTCP to date has maintained its chartered focus
  - Only JNTC-accredited Service training programs
  - Funds are limited, expansion involves risk

- JTCP provides venue for COCOM and ACGU to leverage existing training opportunities for joint training
  - JTEN has proven to be most effective
  - JTCP funds only applied to Service/SOCOM JNTC-Accredited programs
  - Other activities may be coordinated, but only as “pay to play”
    - ACGU
    - OPFOR
    - Interagency

JTCP POC: CDR Kevin Borden, 757-203-5366

JTCP Events

- FY 10
  - ACGU requests recently withdrawn
    - AUS: virtual AC-130, A-10 (eCAS)
    - GBR: ISR feeds in two Bde MRX's
  - JTCP initially participated in ACGU WG
    - JTCP offered as a venue to facilitate ACGU joint training
  - ACGU participated in JTCP WG starting in FY10

- FY 11
  - ACGU requests for limited support
    - AUS: DTEN/JTEN in FCP East/TASMANEX 11
    - GBR: desires ISR feed in two Bde MRX's

- FY 12
  - JTCP for POM 12 budget line item submission
  - 1 Jun Joint Training Coordination Conference (JTCC)
    - Kick-off FY 12 JTCP planning process

JTCP POC: CDR Kevin Borden, 757-203-5366
